Key Points of work carried out since last meeting

Príomhphointí ón gcuinniú deireanach

Lifts

After talking to the building manager in Aungier Street the company who maintains the lifts are to be changed as they are not doing a good job and take too long to fix any problems

Canteen vouchers Aungier

The last City Campus to need vouchers for students was sorted and they will be providing vouchers

Silent Pods

Multiple silent pods have been introduced into Aungier

New furniture in GG

New furniture added to Grangegorman (still not enough) in the CQ building

Bolton Street and Linenhall maintenance

Talking to the building manager for Bolton and Aungier he told me there would be a big look into the maintenance of Bolton and Linenhall and not just superficial maintenance like paint but things like fixing the roof and windows as well as getting the electrical work back working .

Vending machine in EQ

Working with estates they placed a vending machine in EQ but it is currently way too expensive so I will be working to implement more machines
