

MANIFESTO

Greetings, fellow postgraduate students of Technological University Dublin! My name is Akondu Ako, and I'm excited to run for the role of **Postgraduate Student Officer**. With my passion for advocacy, leadership experience, and genuine commitment to improving student life, I believe I can make **Postgrad Life Made Better** more than just a tagline. I can make it our reality.

Here's what I stand for:

- 1. Better Academic Support**
Postgraduate studies can be intense and overwhelming. I'll work to ensure that we have better access to academic resources, clearer communication with lecturers, and dedicated support systems to help us succeed from thesis guidance to tackling coursework challenges.
- 2. Stronger Mental Health and Wellbeing Support**
Balancing postgraduate studies with work, personal goals, and life can take a toll on our mental health. I will push for more accessible mental health services, well-being workshops, and safe spaces where we can unwind, connect, and recharge.
- 3. Networking and Career Opportunities**
We're here to advance our careers and build our futures. I'll advocate for more postgraduate-focused networking events, industry talks, and career fairs, helping us connect with potential employers, mentors, and like-minded innovators.
- 4. Financial and Housing Support**
Let's face it. Being a postgraduate student isn't cheap. From tuition to living costs, the struggle is real. I'll push for clearer financial aid information, increased funding awareness, and support in finding affordable, student-friendly housing.
- 5. Inclusive and Vibrant Postgrad Community**
Postgraduate life can feel isolating sometimes. I'll work to create more social events, cultural celebrations, and postgraduate-only gatherings where we can build friendships, share ideas, and feel part of a thriving, diverse community.
- 6. Clearer Communication and Representation**
Our voices deserve to be heard. I'll ensure more transparent communication between postgraduate students, the Student Union, and university leadership. I'll be a proactive, accessible representative who listens to your concerns and fights for what matters to you.
- 7. Support for International and Mature Students**
Whether you've traveled from afar or returned to education after some time, I understand the unique challenges you face. I'll push for tailored support systems that make your postgraduate journey smoother and more rewarding.

Together, we can create a postgraduate experience that's more supportive, connected, and fulfilling. **Vote Akondu Ako for Postgraduate Student Officer** — let's make **Postgrad Life Made Better** a reality for all of us.

Thank you for your time and support!

-Akondu
